PROTECTING LAND TODAY
FOR TOMORROW

What is NCCT?

Established in 1994, the North Central Conservancy Trust (NCCT) is a non-profit 501(c)(3) organization. Its mission is to “conserve the natural heritage of Central Wisconsin through the protection of land”. NCCT serves an eight county area, including Adams, Clark, Lincoln, Marathon, Portage, Taylor, Waushara, and Wood.

What We Do

NCCT works with landowners to preserve scenic lands and environmental resources for the benefit of the people and ecosystems in Central Wisconsin. We do this primarily through the use of conservation easements and land donations. Conservation easements are voluntary legal agreements that limit the uses of the land to protect its ecological value in perpetuity. Through this work we have protected thousands of acres of land throughout Central Wisconsin.

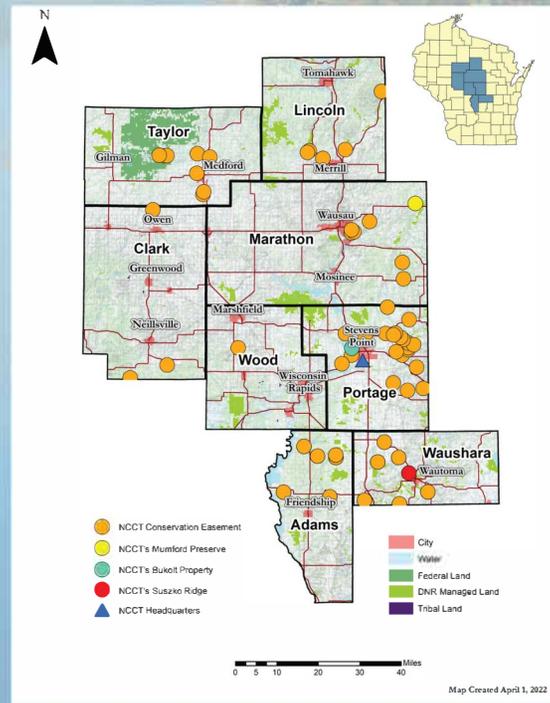

WHY SUPPORT CONSERVATION?

Your customers also care about these issues. Community members of Central Wisconsin are looking for collaborative approaches that save the natural environment. This includes the support of businesses.

By contributing to NCCT, you are committing to a legacy of clean water, clean air, and open space to live in and enjoy. You are creating a healthy and resilient community for today's people and future generations to come.
