ZOOM PRESENTATION BY TARA SHORT**

**Treat yourself to a delicious, locally made meal and a night of virtual entertainment! This year for NCCT's Annual Dinner Event and Major Fundraiser, we have worked hard to find a creative, fun event for our members that would be safe, yet offer an amazing experience. We have decided it is best to go virtual this year and offer you the option to pick up a meal from one of two wonderful local restaurants.**

**Zoom Presentation:** *Tara Short is founder and director of Green EDventures. Green EDventures was founded to connect people to nature and the environment through trips across the planet to have hands-on, educational experiences with new cultures, habitats, wildlife, and more. Tara will talk about some of the most amazing places all around the world and why land conservation is such an important tool across the globe to protect special places for future generations to visit and explore. Let Tara take you away from the madness of 2020 and make you feel like you are on that much-needed vacation we are all longing for.*

**Dinner:** *NCCT offers dinner from two excellent local restaurants, Greenwood Hills in Wausau, and Father Fats in Stevens Point. Your dinner will be available for pickup from 4:00 pm- 6:00 pm at the restaurant of your choosing.*
