Dear Local Business Owner,

The North Central Conservancy Trust (NCCT) is hosting its 2023 Annual Harvest Dinner, Fundraiser, and Friend-raiser on Thursday, September 28 from 4:30 to 8 PM at the Bukolt Park Lodge in Stevens Point. The Harvest Dinner is NCCT's largest event and brings people together to celebrate our conservation achievements over the past year. Last year's Annual Dinner had more than 160 people in attendance! We are reaching out to you as a local business owner because we are seeking sponsors for our event and/or donated products or services to be included in a raffle and silent auction.

As an Annual Dinner financial sponsor or raffle/silent auction donor, NCCT will recognize your business as an event sponsor in select advertisements, promotional materials, and on signage during the event. Your business will also be recognized in our printed Fall newsletter, Fall e-newsletter, and on our social media pages. This is a great opportunity to gain exposure for your business at a public event while showing support for land protection and conservation in central Wisconsin! Please read more about these benefits on the back page of this letter. Following the event, NCCT will provide you with a charitable donation receipt for your tax purposes.

Financial sponsors of NCCT's Annual Dinner are also needed! You have the opportunity to help offset the cost of hosting this event, which helps us achieve our fundraising goals! If your cash donation is \$250 or more, you will receive business sponsorship benefits for one year following your donation.

Please contact Chris or Becky at 715-344-1910 or outreachncct@gmail.com if you wish to support this event or have questions. We hope to collect all donations prior to September 1. Thank you for your consideration, and please join us at the Annual Dinner on September 28, 2023!

With sincere gratitude,

North Central Conservancy Trust Staff and Board of Directors

North Central Conservancy Trust is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code.
